Workshop Basic Course "Tree Climbing" on Thursday, March 30th, 2017

Hello to all Monkey- and Climbing-friends,

The next Monkey-Workshop takes place at the **Monkey-Climbing Park in Schwedelbach** near Kaiserslautern. The course **starts at 10:00 am and ends around 4:00 pm**.

Here you will learn:

- the assessment of a tree under sporting, ecological and safety-related factors, as well as the responsible handling of nature.
 - the quick and uncomplicated installation of the tensioning straps on different trees with different conditions.
 - the appropriated set up of several climbing tours on a tree.
 - self-assurance methods, partner protection and abseiling.
 - longitudinal tips with regard to the division of your own strength, as well as joint-safe climbing.
 - time-saving and safe removal of the monkeys.
 - Test options for Toppas abseil, Rock & Ice system and the Monkey backpack "OrangUtan"
- ... and lots of tips and tricks from our personal wealth of experience.

It is convenient to wear comfortable, durable and weatherproof clothing. Climbing shoes or shoes with a high edge stability are advantageous. Daily food is to be brought along.

Access and parking:

Highway Mannheim - Saarbrücken, exit Kaiserslautern-West, then north on the B270, direction Weilerbach / Mackenbach (Tip: do not go into the village Weilerbach or Schwedelbach). After approximately 15 km at the roundabout before Mackenbach take the first exit, direction Reichenbach-Steegen (L 369) and after 2 km left to the parking lot at the sports field. The approx. 10 minute walk to the climbin-park is signposted.

Parking facilities are located directly at the sports field.
